USE CASES

CONSTRUCTION

INCREASE ASSET UTILIZATION, REDUCE FUEL CONSUMPTION & PREVENT THEFT

Whether you're on the job site or off, MiFleet has you covered with tailored solutions which monitor your fleet's performance, efficiency and location. With a wide range of device styles and configurations, MiFleet can alert you of excess idling, prevent theft with starter interrupt, calculate engine run time and even alert you of vehicle arrival & departures.

SERVICES & TRADES

LOWER COSTS, INCREASE EFFICIENCY & CUSTOMER SATISFACTION

MiFleet is tailored to assist you in overall cost reduction and increased customer satisfaction. Our reports, alerts and live monitoring of your fleet keeps your business in check, drivers safe and expenses in line, while improving your customer's overall experience with estimated time of arrivals & location sharing.

DELIVERY

PROTECT YOUR DRIVERS, INCREASE PRODUCTIVITY

MiFleet gives you peace of mind with the ability to ensure customers are satisfied and employees are protected. GPS & Dash Cam solutions are tools for your business to improve performance, customer satisfaction and overall business operations. Resolve customer conflicts with proof of delivery and location validation.

CANNABIS

MANAGE YOUR DELIVERY OPERATIONS

The cannabis industry has grown massively and continues to do so at the same momentum. Transporting large shipments to cannabis stores or delivering orders to customers has risks involved. It is important to protect your drivers and operations. MiFleet GPS tracking systems can help protect you as well as increase on-time delivery, reduce fuel costs, and increase productivity.
