Increase in Fuel Efficiency

SOFTWARE BENEFITS

- Location Information**
 Receive up to the minute location information to validate vehicle location for dispatch and positioning.
- Vehicle Management**
 Custom Geofences can alert when vehicles arrive/depart key locations such as city limits, county boundaries, hot zones, and maintenance yards.
- Vehicle Maintenance**
 Optimize your vehicle's maintenance schedule from its odometer reading.
- Vehicle Status Indicators**
 Be alerted when a vehicle engages its lights or reaches excessive speeds.
- Improve Driver Safety**
 Lower insurance claims and rates by coaching drivers from accurate driver behavior scorecards.

RECOMMENDED MIFLEET SOLUTIONS

PUBLIC SAFETY INDUSTRY
PROTECT THE PEOPLE BY RESPONDING FIRST

DASH CAM

A continuously recording Dash Cam where event-based HD (1080p) video clips are auto-uploaded to a video management web application. Excellent for driver training, fraud and exoneration.

LIGHT DUTY

Patrol Vehicles, Passenger Vehicles & Emergency Transports can be equipped with an OBDII Plug'n Play or 3-Wired Covert installed GPS Tracking Device offering location, vehicle diagnostics & driver behavior.

HEAVY DUTY

Diesel powered vehicles and equipment requiring specialized vehicle connectors such as J1708 / J1939 or other specialized diagnostic protocols.

SOLAR TRACKER

Asset Tracking at its finest with a sophisticated solar tracking solution for assets that lack a power source and are typically hard to access. Pings received daily and up to the minute when in motion.

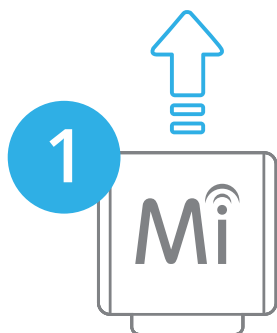

ASSET TRACKER

Location management of both powered and unpowered assets such as law enforcement equipment, trailers & more. Pings received daily and up to the minute when in motion.

HOW IT WORKS

Purchase & Install an OBD-II Plug'n Play or Covert Light Duty Vehicle Monitoring Device.

Driver Behavior, Vehicle Performance & Location Information is automatically sent to our Cloud Servers.

Remotely monitor harsh usage of vehicle, engine diagnostics and location information on our Web Application.
