

SCHOOL BUS

STUDENTS, PARENTS, SCHOOLS & DISTRICTS

MiFleet

INCREASE VISIBILITY & COMMUNITY SAFETY

MiFleet displays up to the minute bus location & engine diagnostics to maintain on-time passenger pick up and drop off. Monitor a single bus or your entire fleet, their location history and vehicle performance. Customize geofence locations and receive alerts and notifications when the vehicle arrives and departs. MiFleet bring peace of mind and protects your Students, Drivers and Community.

- ROUTE VERIFICATION**
Confirm your vehicle took a specific route and was present for passenger pickup.
- REAL-TIME MONITORING**
Remotely Manage your fleet with accurate up to the minute location information.
- ALERTS & NOTIFICATIONS**
Be notified of triggered events such as speeding events, harsh driving behaviors & departure arrival/departure times.
- IMPROVED RECORD KEEPING**
Exonerate Drivers in situations where they are contested in accidents and location disputes.
- HISTORICAL REPORTING**
Verify vehicle location information with the generation of historical reports.
- REDUCE COSTS**
Reducing harsh driving behavior saves on fuel consumption.
- PEACE OF MIND**
Provide Mental Peace of Mind for parents in the community.
