

Save Time, Increase Utilization & Improve Visibility

Operation Managers can't afford to waste time, day after day. Whether your trailers are on the road or in the yard, MiFleet increases your visibility into location information to reduce time, reduce costs and improve your tractor-to-trailer ratio. MiFleet assists in maintenance schedules, theft recovery and trailer location - it makes everything faster.

How It Works

Easy as 1. 2. 3.

1
Install

2
Drive

3
Monitor

Features & Benefits

No Hassle Trailer Tracking.

REAL-TIME MONITORING

Remotely Manage your fleet with accurate up to the minute location information.

SAVE TIME

Save time locating trailers whether they are on the road or in the yard.

HISTORICAL REPORTING

Verify vehicle location information with the generation of historical reports.

IMPROVE TRAILER UTILIZATION

Increase trailer usage by knowing where they are and when they can be used again.

GEOFENCE BOUNDARIES

Customize high frequent delivery & service locations and be alerted when vehicles arrive & depart.

LOWER COSTS

Higher Utilization leads to less trailers needing to be purchased.

ALERTS & NOTIFICATIONS

Be notified of triggered events such as speeding events, harsh driving behaviors & departure arrival/departure times.

IMPROVE TURN TIMES

Know exactly when trailer are in the yard and reduce sitting time.
