

SAVE TIME, INCREASE UTILIZATION & IMPROVE VISIBILITY

Operation Managers can't afford to waste time, day after day. Whether your trailers are on the road or in the yard, MiFleet increases your visibility into location information to reduce time, reduce costs and improve your tractor-to-trailer ratio. MiFleet assists in maintenance schedules, theft recovery and trailer location - it makes everything faster.

- Real-Time Monitoring**
Remotely Manage your fleet with accurate up to the minute location information.
- Alerts & Notifications**
Be notified of triggered events such as speeding events, harsh driving behaviors & departure arrival/departure times.
- Lower Costs**
Higher Utilization leads to less trailers needing to be purchased.
- Save Time**
Save time locating trailers whether they are on the road or in the yard.
- Improve Trailer Utilization**
Increase trailer usage by knowing where they are and when they can be used again.
- Geofence Boundaries**
Customize high frequent delivery & service locations and be alerted when vehicles arrive & depart.

USE CASES

CONSTRUCTION

INCREASE ASSET UTILIZATION, REDUCE FUEL CONSUMPTION & PREVENT THEFT

Whether you're on the job site or off, MiFleet has you covered with tailored solutions which monitor your fleet's performance, efficiency and location. With a wide range of device styles and configurations, MiFleet can alert you of excess idling, prevent theft with starter interrupt, calculate engine run time and even alert you of vehicle arrival & departures.

DISTRIBUTION

IMPROVE OPERATIONS, LOWER COSTS & STREAMLINE YOUR FLEET

MiFleet provides dock-to-dock fleet management tools and solutions to keep your fleet running efficiently by lowering costs and improving delivery times. Together, we can keep your drivers safe, vehicles maintained and operations running smoothly down to the last mile.

UTILITIES

UTILITY EQUIPMENT & PERSONNEL MANAGEMENT

MiFleet assists with the daily management of people, vehicles and other equipment with increased efficiency and productivity in mind. Customize your solution with weather overlays, geofences and points of interest to build your custom network of locations. Respond to outages and emergencies without hesitation, MiFleet provides you insight to more than just your fleet.

OIL, GAS & MINING

INCREASE UP-TIME & PROFITABILITY, REDUCE COSTS

Keeping your vehicles and equipment running is your most important responsibility. MiFleet assists in determining predictive maintenance and increases performance of your vehicles & equipment, including generators and pumps. Not to mention, providing you the necessary information to optimize equipment utilization..
