

PERSONAL TRACKER DESIGNED FOR RELIABLE SHORT-TERM DEPLOYMENTS

MFP1-P PERSONAL TRACKER

The MFP1-P is a personal tracker that has a built-in rechargeable battery designed for reliable, short term deployments. The personal tracker is an ideal solution for those looking to manage assets and personnel inconspicuously. Its small form factor allows the device to be installed, carried, or hidden away for days, weeks, or months at a time. The MFP1-P provides location information to assist in higher personnel and equipment location.

MFP1-P SUPPORTS

- Motion Detection
