USE CASES

DELIVERY

PROTECT YOUR DRIVERS, INCREASE PRODUCTIVITY

MiFleet gives you peace of mind with the ability to ensure customers are satisfied and employees are protected. GPS & Dash Cam solutions are tools for your business to improve performance, customer satisfaction and overall business operations. Resolve customer conflicts with proof of delivery and location validation.

COLD CHAIN MANAGEMENT

REDUCE PRODUCT LOSS & CONFIRM TEMPERATURE CONSISTENCY

MiFleet offers continuous, real-time temperature monitoring of your most valuable & perishable cargo. Verify accurate temperature records of all your deliveries. Alerts notify you of temperatures that are out of range due to equipment malfunctions.

DISTRIBUTION

IMPROVE OPERATIONS, LOWER COSTS & STREAMLINE YOUR FLEET

MiFleet provides dock-to-dock fleet management tools and solutions to keep your fleet running efficiently by lowering costs and improving delivery times. Together, we can keep your drivers safe, vehicles maintained and operations running smoothly down to the last mile.
