

WIRELESS BATTERY-POWERED TRACKER THAT CAN BE PLACED VIRTUALLY ANYWHERE

MFL320

REAL TIME GPS TRACKER

The MFL320 is designed as an ideal solution for lone worker, vehicle, pet and asset tracking applications. The thumb sized button makes this device ideal for applications requiring rapid notification of emergency alert or regular setting of geo-fences based on current location. Our MFL320 features an SOS button, superior GPS performance, and 3-axis accelerometer.

MFL320 SUPPORTS

Motion Detection
Device Battery Status
Device Removal Alert
GPS Location
SOS/Panic Alert
Geo-Fence
